English for Specific Purposes: TESOL (ESP:TESOL) is ideal for students from Korea who are considering becoming a teacher of English as a second language (ESL) or who are already teachers in their own country.

Students will learn

The ESP: TESOL program at ICTE enables participants to:

- develop awareness of the theory and practice for TESOL
- learn practical teaching techniques to engage learners in the language classroom
- gain direct experience teaching English in English through practice teaching sessions
- improve English communication skills and confidence for teaching purposes
- prepare for the Cambridge Assessment English Teaching Knowledge Test (TKT).

Please note: while ESP: TESOL contains content related to teaching English the course is not a formal teaching qualification.

Course content

Course modules include:

- **English for Specific Purposes (ESP):** analysis and discussion of current methods for teaching English
- **TKT Preparation:** familiarisation and practice for the TKT
- **Integrated Language Skills:** speaking, listening, reading and writing skills development using general and TESOL-related themes
- **Practice Teaching Session:** assisted preparation for and guided feedback on a Practice Teaching Session
- **TKT Examination:** 1 module
