

Google Chrome - Allow audio auto-play

To ensure that the audio in the listening tests will play if you are using the Google Chrome web browser, please open Chrome and follow these steps:

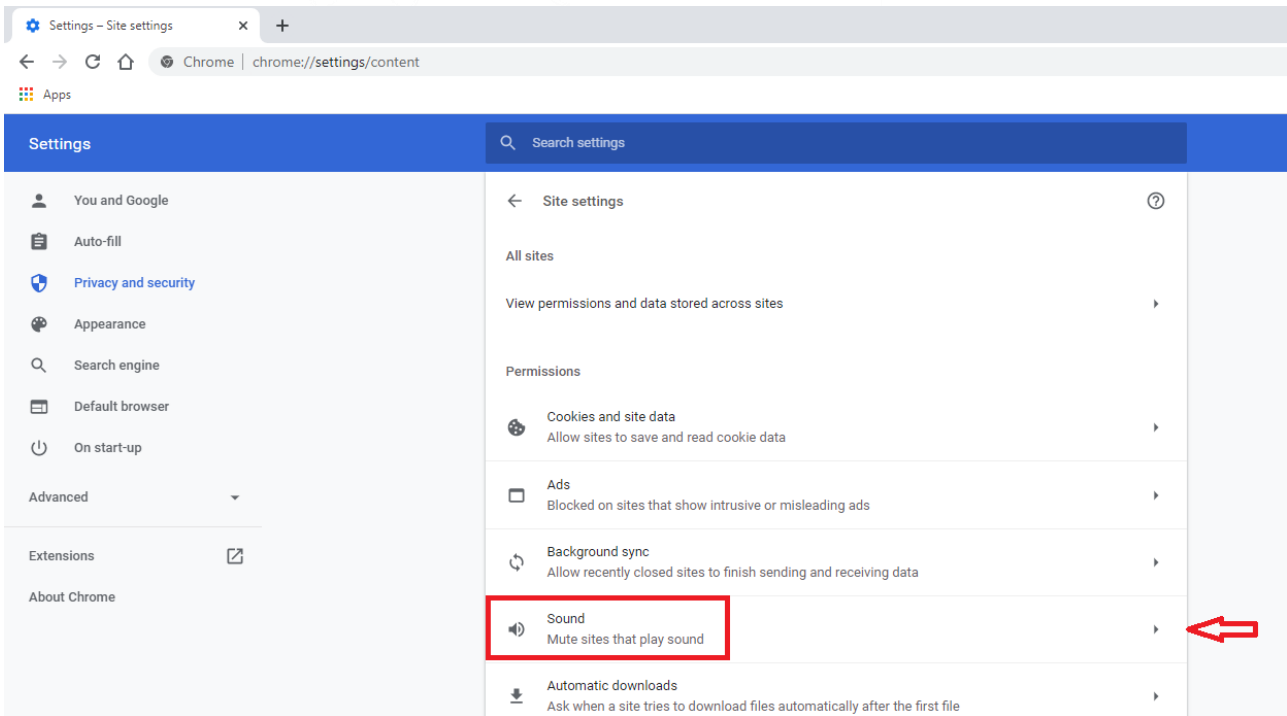

1. Click on the menu button  and select Settings.

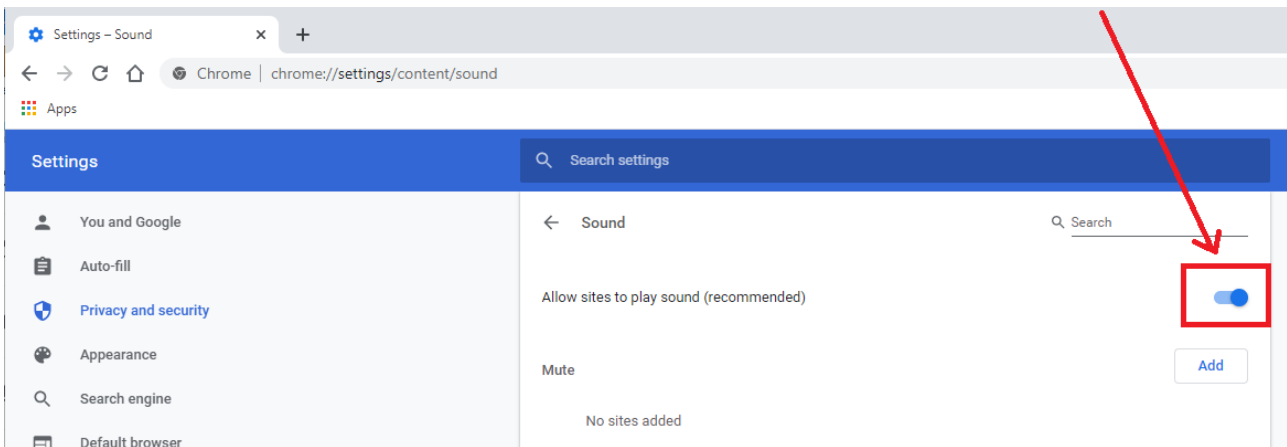

2. Click on Privacy and Security. Scroll down to Site Settings. Click on the arrow to the right to open Site Settings.

3. Scroll down to Sound. Click on the arrow to the right to open Sound.

3. Make sure that the allow sites to play sound (recommended) toggle is pushed to the right as shown below:

4. You can return your browser settings to your preferred settings after you have completed all bridging English testing
