Study Foundation at UQ

We offer a range of pathway options to prepare you to study a bachelor’s program at UQ.

You can improve your English proficiency and academic entry qualifications by studying the UQ Foundation Program.

Foundation Program teachers are highly qualified, and through innovative courses and the latest technology, our students learn in a relaxed and supportive environment. Students also make the most of UQ’s world-class campus and facilities.

Our students enjoy:

**Small classes, experienced teachers and high-quality programs**

You will enjoy dedicated attention from our experienced teachers and learn by communicating with your teacher and with other students in small classes and workshops.

In your chosen courses you will engage in practical tasks that relate to real-world uses of your academic skills and knowledge.

Your teachers will encourage you to develop your own learning style, help you to use new language and achieve your study goals.

Classrooms and laboratories are equipped with the latest technologies and equipment. Our courses cover a variety of topics and use a mix of course materials, including books, video, audio and digital content.

You will have the opportunity to make new friends in class, enjoy activities outside of class, and improve your English with focused learning support.
A world-class campus lifestyle

At UQ’s St Lucia campus you will enjoy beautiful outdoor spaces, shopping, places to eat, and world-class sporting facilities. You can also make new friends by joining any of UQ’s 220+ clubs and societies.

Global connections

Make friends and enjoy your learning alongside more than 18,000 international students and more than 4400 English language students who choose to study at UQ.

First-rate student support

As well as excellent teaching support while you study, you will be supported during your time with us through options such as cultural, sporting and social excursions and activities.

46th in the world
QS World University Rankings, 2021

The perfect place to study

Just 15 minutes away from Brisbane city centre, UQ St Lucia offers one of the best campus experiences in the world.

See a day in the life of a Student in Brisbane:
youtu.be/sMsDfYQJ7iQ
Located on the east coast of Australia, Brisbane is the capital of Queensland. Young and progressive, the city offers world-class education and affordable living. Home to more than 200 nationalities and 220 different languages, Brisbane is one of the most multicultural cities in Australia.

### Entertainment

The city has a great live music and arts scene, including the Gallery of Modern Art (GOMA), one of the best modern art galleries in Australia. Brisbane is also known for its festivals where writers, musicians and performers showcase their talent. Brisbane’s climate is suited to outdoor sport with world-class facilities across the city.

### Food

With just under a third of Brisbane’s population born overseas, you’ll find many nations represented in restaurants and cafes, while markets and specialty grocery stores make it easy to find food from around the world. Brisbane hosts a huge number of multicultural events each year including the popular Regional Flavours food festival, Paniyiri Greek Festival, Night Noodle Markets, and BrisAsia Festival.

### Average of 283 days of sunshine every year

With a subtropical climate, Brisbane delivers an average of 283 days of sunshine every year.

### Affordable city offering a lower cost of living than Sydney, Melbourne, Perth and Canberra*

*studentcities.com.au

### Multicultural lifestyle

32%

of Brisbane residents were born overseas

2016 census

### Brisbane named 10th most liveable city in the world

Global Liveability Index, 2020

### Getting around

One of the best views of Brisbane is from a CityCat – a ferry service that runs along the river from UQ’s St Lucia campus to the city and the riverside suburb of Hamilton. Brisbane also has an extensive bus and train network that makes it easy to get around.

### Around Brisbane

When you want to get out of the city, there is plenty to discover. Go south for the famous golden sands of the Gold Coast and Byron Bay, north for the quiet beaches of the Sunshine Coast or the majestic Great Barrier Reef, west for ancient rainforests and charming outback towns or east for the spectacular Moreton Island, Stradbroke Island and Fraser Island. Sydney, Cairns and Melbourne are all short flights away.

Foundation Program

We offer a range of study options and pathways to help you achieve your goals.

The UQ Foundation Program is designed to enable international students to meet the minimum entry requirements for their preferred UQ undergraduate program.

Three options are available in the Foundation Program: Extended, Standard and Accelerated. The most suitable program for you will depend on your previous study and your English proficiency.

You need to achieve certain grades and a specified Grade Point Average in your Foundation Program to be eligible for entry to a UQ program*. See pages 20-21

Students will be eligible for entry into university in the semester following graduation from the Foundation Program. Please note that entry into some undergraduate programs is only available in Semester One.

* Admission quotas apply in several programs.

EXTENDED PROGRAM
The Extended Program will benefit students who need to improve their academic English and Math skills prior to undertaking the Standard Program.

STANDARD PROGRAM
In the Standard Program students choose elective courses based on the entry requirements for their intended undergraduate program.

ENGLISH PROGRAM
If you haven’t met the English language entry requirement for the Foundation Program, you may be eligible for a package that combines English language study with the Foundation Program.

ACCELERATED PROGRAM
The Accelerated Program is for students with higher academic results and English language proficiency but who have not met undergraduate admission requirements.
You can commence your pathway in an English language course.

Duration: 10 - 40 weeks depending on your current English language level and Foundation Program entry requirements.

If you want to apply for an English Language pathway package you can indicate this during the application process.

See page 11 for more details.
Course information

Students in the Foundation Program will study two core courses and three elective courses. You can choose your electives to meet the entry requirements for your chosen undergraduate program.

Students in the Extended Program will study additional Academic English and Maths courses prior to commencing the Standard Program.

A Humanities stream is also recommended for students who intend to study in the Faculty of Humanities and Social Sciences. See page 9.

Core Courses

Academic English
This core course focuses on developing the academic language skills required to successfully read, write, listen and speak in academic contexts. As well as developing fluency and accuracy in each skill, learners will be introduced to core academic skills including assignment writing, referencing, critical thinking, oral presentations, and research skills such as using databases and library facilities.

General Mathematics
This course provides the knowledge, skills and techniques required in an every-day life application of mathematics as appropriate to the skills needed when encountering mathematics in a non-mathematically based tertiary course. This course covers basic calculations, geometry and measurement, financial mathematics, probability and statistics.

Mathematical Methods
This course develops your understanding of basic mathematical ideas of calculus and statistics and the manipulative skills required for solving mathematical problems. These skills are applied with technological tools to solve problems related to real-life situations. Topics covered include algebra, computation, sequences and series, logarithmic functions, geometry, trigonometry, differential and integral calculus, vectors and matrices, statistics and probability, set theory and the application of mathematics in society.

Elective Courses

Accounting
This aim of this course is to provide an introduction to accounting concepts, including the accounting equation and accounting process, the preparation of end of period reports, accounting for cash, accounting for credit, control of inventories and assets, and company accounting.

Behavioural Science
This course provides a general introduction to the social sciences through examining human behaviour and the role that the individual plays in the wider community. The course will initially address the psychology of the individual, covering memory, social influence, learning and research. It will introduce sociology by exploring how the broader community responds to some of these issues, with a focus on interpersonal and intercultural communication. This course is recommended for students wishing to progress to programs within the Faculty of Humanities and Social Sciences.

Business Management
This course covers a broad range of management concepts and business operations that contribute to the success of businesses large and small. These include an understanding of business principles, planning (strategic and operational), marketing, organisational behaviour, finance and human resource management. Throughout the course the theory is discussed in the context of business cases which can include domestic and global businesses. You will apply the theory learnt in class to plan your own business enterprise, as well as developing a business enterprise within a project team.

Biology
This course will provide you with knowledge of scientific concepts and facts in biology, and experience with experimentation in a biology laboratory. Biology is the study of life, which encompasses origin, development, diversity, functioning and evolution of living systems and consequences of intervention in those systems. This course prepares you to engage in creative scientific thinking and to apply your knowledge in practical situations.

Chemistry
This course examines the experimental and theoretical basis for understanding the structure and function of all forms of matter. This course introduces you to the basic principles, processes and skills of physical, inorganic and organic chemistry. You will study the concepts of matter, including classification and description, measurement, mathematical concepts applicable to chemistry, atomic theory and structure, chemical formulas. You will also learn about nomenclature, mass and energy relationships in reactions, reactions in aqueous media, gases, thermochemistry, quantum theory, and periodic relationships of the elements.

Design (Architecture)
This course provides an introduction to the fundamental processes and methods of design as it applies to built environment, engineering, and business disciplines. The course examines topics such as designers’ thinking styles, the work of designers, problems for solving by design, stakeholder engagement in design problem-solving, generating design solutions, communicating design solutions and reflective learning about self as designer. This course is recommended for students wishing to progress to programs within the Faculty of Humanities and Social Sciences.

Economics
This course is designed to provide students with an introduction to broad based Economic issues. It focuses on how decision makers within the economy (e.g.
consumers, firms, government departments) make choices to satisfy their wants given their limited resources. In this course you will develop your ability to make economic decisions based on analysis of economic information.

**Health and Nutrition**
This course will introduce you to the influence of diet and exercise on health, fitness and well-being. You will develop and apply the knowledge and skills to understand the function of nutrients in the body and how the body responds to exercise. You will learn how to use diet and exercise to maintain a healthy body weight and how nutrition can be used to enhance exercise performance.

**Humanities and Social Sciences**
This course provides an introduction to the fundamental concepts of the Humanities and Social Sciences. The course examines topics such as Global Strategies and Perspectives, and Creative Arts and History, to develop skills in critical and creative thinking, research and evaluation, argument mapping, problem solving and reflective learning. This course is recommended for students wishing to progress to programs within the Faculty of Humanities and Social Sciences, and is a core course for students in the Humanities stream.

**Information Technology**
This course will provide you with the knowledge and skills related to the utilisation of information and communication technology and their application to contexts such as work and study environments. This course will examine the key areas of computing hardware, software, and the application of the technology to problem solving.

**Physics**
This course aims to develop an understanding of key concepts in physics and their application in modern society. The course describes the performance outcomes, skills and knowledge required to apply the concepts of motion and force when conducting practical investigations and solving physics problems. You will examine the fundamentals of measurement, vectors, kinematics and dynamics.

**Research Project**
This course provides the opportunity to research a topic of your own choosing. This will involve a structured, supervised and academically rigorous process. You will develop skills to apply concepts, terminology and principles of research to develop and complete a research project on an agreed topic within a chosen discipline.

---

**Humanities Students**
The following courses are recommended for students whose preferred undergraduate program is in the Faculty of Humanities and Social Sciences.

A maths course is not compulsory for these students. However, students intending to progress into Education or Dual degree programs at The University of Queensland must select Mathematics as an elective course.

**Core Courses**
- Academic English
- Humanities and Social Sciences

**Elective Courses**
- Behavioural Science
- Research Project
- Business Management
Assessment

In addition to class contact hours students are expected to complete homework, assignments and assessment tasks. It is recommended that students should study for at least 20 hours per week in their own time.

Your teachers will monitor your academic progress throughout the Foundation Program and provide you with regular feedback and guidance. Students also have full access to the University’s excellent learning support services.

Assessment items may include exams, individual and group assignments, research projects, laboratory practicals, and seminar presentations. Your final result in a course will be based on all assessment items. All courses are graded on the UQ 7-point scale:

<table>

**Assessment for entry into undergraduate programs**

**English entry requirements**

The English entry requirement for international students to the majority of undergraduate programs is a grade of 5 for Academic English. This will not apply to students whose prior qualifications already meet those needed for undergraduate entry, eg. Evidence of English proficiency such as an IELTS score of 6.5 (with a minimum score of 6 for all sub bands).

Some UQ programs require a higher level of English language proficiency for entry (e.g. Dental Science, Laws, Nursing / Midwifery, Pharmacy, Physiotherapy, Speech Pathology and others). Some programs may accept a grade of 7 in Academic English or you may be required to obtain an IELTS score above 6.5. Refer to the table of entry requirements on pages 20-21 of this brochure.

The student experience

Support to help you reach your potential.

We offer a wide range of support services to help you at every step of your journey. From free English language support to weekly social activities, our services are designed to help you succeed in the classroom and beyond.

We understand that adjusting to a new culture and environment is exciting, but it can also be challenging at times. Connecting with other students is a great way to practise your English, make new friends, find your way around campus, and become familiar with the Australian environment.

Learning Support

Our learning advisers are always there to support you with specific skill areas such as grammar and vocabulary. From dedicated workshops to free one-on-one tutoring sessions, we offer practical help in a safe and friendly environment. You can make an appointment to see how we can help you succeed in your studies.

https://uqcollege.uq.edu.au/student-support/learning-support

Personal support

Students also have access to all UQ counselling and crisis support services. There is a 24-hour, seven day a week telephone hotline with dedicated international student advisers and counsellors available to students.

my.uq.edu.au/information-and-services/student-support/international-interstate-students

Interact online

Interact with other students through our online communities. We have opportunities for you to socialise, access support, discover Brisbane and develop English through apps and web-based programs.

Activities and workshops

Studying at an international university is about more than just classes. It is about discovering a new culture, meeting new people, establishing an international network and having fun. We organise a range of free and low-cost activities and workshops so you can enjoy our campus during the week and explore Brisbane through day trips on the weekend.

Orientation

There is an orientation program for all new students prior to each intake. Students are provided with important information about their Programs and details of the services available to assist their transition to tertiary study.

Libraries and study spaces

There are six libraries on campus. They feature computers for students, 24-hour study spaces, quiet areas, and friendly staff to help you find what you need. Workshops and online learning guides can enhance your studies, develop your assignment strategies, and help you prepare for exams.

library.uq.edu.au
Under 18 International Student Supervision Program

UQ offers a Supervision Program that approves the accommodation, support and general welfare of international students under 18 years of age. This program is compulsory for international students who:

- are under 18 years of age when they enter Australia and commence their program at UQ
- are not living with a parent, or legal custodian
- need approved accommodation and welfare arrangements to meet visa requirements.

Adjusting to university life

The supervision program incorporates a range of services and requirements aimed at helping you feel safe, settled and supported through your first weeks and beyond.

You will participate in sessions and workshops to prepare you for your studies. These include:

- academic preparation sessions
- study and life skills workshops
- one-on-ones with your Welfare Adviser and peer mentors
- Orientation Week induction sessions.

Living close to campus

If you are under 18, you must maintain suitable accommodation as part of your visa requirements. We will help you make appropriate arrangements with UQ-approved accommodation providers.

Safety and security

You will receive an after-hours emergency support number and meet regularly with your Welfare Adviser.

Program Fees

The Supervision Program fees include:

- A non-refundable $110 registration fee, and
- $6.60 per night for every night you are enrolled as under 18 years

How to register

Before you register for the Supervision Program, you must have a conditional offer to study at UQ. For more details about the Under 18 Supervision Program, including how to apply, visit:

Saurabh Deshmukh, India

Activities

“The main reason behind attending these activities is to get more time conversing with students. I got a chance to sing, share my thoughts and made some cool friends.”

Phan Bao Phuc Tran, Vietnam

Learning Advice

“The workshop was immensely helpful for me. In there, I had more opportunities to practice English and make new friends. Furthermore, there are many topics on how to improve your listening, reading, writing and on interesting topics like ‘getting motivated or ‘wellbeing’.”

Got a question?

Come and see us at Student Information on Level 4, Sir Llew Edwards Building (14)
Life at UQ

UQ has a welcoming community of 50,000 students from more than 130 countries. UQ has services, events and activities to help you settle in, make new friends, expand your skills and network, and enjoy student life.

Student communities, clubs and societies
Do you want to expand your social network or pursue a new hobby? Join one of our 220+ clubs and societies. From anime to yoga, medievalism to table tennis, and hockey to dancing, you are certain to find like-minded people.

uqu.com.au/clubs-societies
uqsport.com.au/clubs

Discover UQLife
Discover your UQLife with events, experiences and programs throughout the year. Enjoy O-Week, BLOOM Festival, K-Pop, Theatre Festival and much more.

life.uq.edu.au
uqu.com.au/entertaining-u

Healthcare
If you need to see a doctor, visit the friendly team at the UQ Health Clinic. There is also a pharmacy and a dental clinic on campus.

uqhealthcare.org.au

Spiritual practice
Our Multi-Faith Chaplaincy caters to all religions. The venue also offers yoga and meditation classes, and it hosts community celebrations. It is a great place to meet people from different cultures and faiths.

my.uq.edu.au/information-and-services/student-support/religion

Banks and post offices
ATMs are available on campus, along with a Commonwealth Bank branch. There is also a post office on campus.

Safety on campus
Our campus is a safe place for students and staff. The St Lucia campus offers 24-hour security and a safety escort service if you would like someone to accompany you to public transport or your car, and a Safety Bus that runs from 6pm onwards around the campus.

Download the free UQ SafeZone app, which connects students directly with security officers or emergency services.

Cafes and eateries
The campus has many cafe and food options. From great coffee and bakery food, to healthy sandwiches and wraps, pizza, noodles, bubble tea, and juice bars.

International student advisers
UQ Student Services has advisers specifically for international students to help you overcome some of the challenges of studying in a foreign country. The Student Advice Team can help you with everything from finding part-time work and advice on extending your visa, to legal advice, dealing with financial pressures, and support and information around gender and sexuality. If you need to make an appointment with a Student Adviser or a Counsellor, you can do this in private by contacting Student Services.

my.uq.edu.au/information-and-services/student-support/international-interstate-students

Find a job
UQ offers an exclusive online job board for its students and graduates featuring vacation work, volunteer work, internships, and graduate employment opportunities from over 3000 employers. The Global Grad careers search portal is just for international students with Australian and international companies posting work opportunities regularly.

studenthub.uq.edu.au (login required)
globalgrad.uq.edu.au

Students studying on a Student Visa can:
• work up to 40 hours per fortnight (two week period) when their program is in session
• work full-time hours when their program is not in session.

Where to live

Whether you would like to live on-campus or off-campus, there are a number of options you can explore to find accommodation to suit your needs.

Off-campus student accommodation

Do you want to cook your own meals but still live in a student community? Brisbane offers a range of temporary or long-term options, ranging from studio to share apartments.

UQ has carefully selected approved providers located close to the UQ campus and Brisbane city. You can pre-book a room before you arrive.

my.uq.edu.au/student-support/accommodation/approved providers

On-campus colleges

Do you want a traditional, immersive university experience? You can live in one of our 10 colleges at UQ St Lucia. You can walk to class, enjoy services like academic support and social and sporting activities, and your meals are provided. Apply before you arrive to secure a room.

liveuq.edu.au

Private housing

Brisbane’s rental market features everything from low-cost share houses to high-rise apartments. To find a room, apartment or house, first check our UQ Rentals database.

There are also private rental accommodation websites and you can rent directly from real estate agents. It is important to inspect the room and meet all the people you will be sharing with before paying money or signing anything.

rental.uq.edu.au/Accommodation

UQ Student Services can also help you to find homestay accommodation with an Australian host family.

Under 18s

Accommodation for students under 18 years of age must be arranged through the UQ Supervision Program (see page 15).

Airport pick-up

Make your arrival stress-free. Book our airport arrival service, and we will meet you at the airport and take you directly to your pre-arranged accommodation.

my.uq.edu.au/information-and-services/student-support/accommodation/about-accommodation/airport-pickups

## NOTES ON UNDERGRADUATE ENTRANCE REQUIREMENTS

All courses are graded from 1-7, with 7 being the highest.

GPA refers to the Grade Point Average of all five courses (Academic English, Maths, three elective courses).

GPA 4 and Academic English 5 (or equivalent) is the minimum entry requirement for entry to UQ. For additional requirements, refer to individual degrees. Entrance to dual degrees must meet the requirements of both individual degrees.

There are limited places in Bachelor of Dental Science, Occupational Therapy, Physiotherapy, Nursing, Midwifery, Speech Pathology and Veterinary Science. Academic English proficiency requirements for the Foundation Program may be higher for students seeking entry to these programs.

Programs at St Lucia Campus unless indicated otherwise.

# Programs that commence in Semester 1 only.

* A grade of 7 in Academic English satisfies the Higher English language proficiency requirements for these programs.

* Students undertaking these programs must obtain the higher English Language proficiency as per UQ’s requirements.

When applying to the Bachelor of Medicine, the English language proficiency requirement is not met prior to enrolment or if a finalised Academic English grade of 7 is not achieved, an accepted English language test that meets the UQ program’s requirements will need to be taken and the required score achieved to meet UQ program admission requirements. Please see the English Language Proficiency requirements on the UQ Future Students Website, future-students.uq.edu.au

Entry requirements are subject to change. For up to date information on UQ program offerings please refer to future-students.uq.edu.au

Fees are payable in two instalments

1st instalment - Payable on acceptance of offer
- $21,370
- $17,400
- $12,450

2nd instalment - Payable by the end of Week 1 of your 2nd Term
- $18,600
- $14,880
- $10,230

Other fees

Health insurance fees (see below) $609 for 12 months

Biology field trip (for onshore Biology students only) $200

Health insurance fees

If you are coming to Australia on a Student Visa you need to purchase and maintain Overseas Student Health Cover (OSHC). OSHC is insurance that helps cover the cost of basic medical care you may need in Australia.

We can organise Overseas Student Health Cover (OSHC) for the full length of your Foundation Program and your undergraduate degree at UQ. If you arrange your OSHC through UQ, we will organise cover with our preferred provider, Allianz Global Assistance.

When you accept your offer for the Foundation Program, you will need to pay an OSHC fee. You will then receive your policy number and details in your Confirmation of Enrolment (CoE).

Alternatively you can also organise your own OSHC through any other government-approved provider. When you accept your Foundation Program offer, you will need to provide evidence of your OSHC before we can send you a CoE.

How to apply

Applying to study the UQ Foundation Program is easy. With applications open all year round, you can complete your application in four easy steps:

**Step 1**

Apply

To apply online visit uqcollege.uq.edu.au/apply

UQ College will share your application details with The University of Queensland for the purpose of issuing a conditional offer into an undergraduate program. This offer will be sent separately.

**Step 2**

Accept and pay

Receive your Foundation Program Letter of Offer. Accept and pay the first instalment fees through the UQ College Student Portal.

Detailed instructions on how to pay are included in your Letter of Offer.

**Step 3**

Receive your Confirmation of Enrolment

You will also receive an electronic Confirmation of Enrolment (e-CoE) if you are applying for a Student Visa.

**Step 4**

Organise your visa and start packing!

Apply for your visa as early as possible. For more information about the right visa and to find your closest Australian Visa Office, visit homeaffairs.gov.au

If you booked airport reception we will send you more information before you arrive.

*Contingent on Australian Government border restrictions

**Your UQ Package Offer**

Your package offer will include:

- an English Language Pathway course (if required); and
- a Foundation Program; and
- a conditional offer into your UQ undergraduate Program, (issued separately)

future-students.uq.edu.au/study

**Applying through an authorised agent**

UQ has agents in over 70 countries who can assist you and help with your enrolment and visa application.

future-students.uq.edu.au/find-approved-uq-agent-your-country

**Application deadline**

The deadline to apply for and be accepted into the Foundation Program is four weeks before the program start date. We cannot guarantee places after this date and will accept students on a case-by-case basis.
Disclaimer
The inclusion in this publication of details of a program or a course creates no obligation on the part of the University to teach it as or when described. The University may discontinue or vary programs and courses at any time without notice. Information in this guide is accurate as at August 2020.
While care has been taken to provide accurate information in this guide, it is the responsibility of students to check and confirm the specific details of programs, courses and enrolment.
Visit uqcollege.uq.edu.au or future-students.uq.edu.au for up-to-date program information.

All costs and fees quoted in this publication are in Australian dollars (AUD$).

ESOS compliance
The provision of education services to international students by Australian education institutions is governed by the Education Services for Overseas Students (ESOS) Act 2000 and the National Code of Practice for Providers of Education and Training to Overseas Students 2018.
The ESOS Act and related legislation is designed to protect the interests of students coming to Australia on Student visas. The legislation aims to protect and enhance Australia’s reputation for quality education, to provide tuition protection and support the integrity of the Student visa program.
The University of Queensland, in providing education services to overseas students, complies with the National Code of Practice of the Department of Education and Training and the Universities Australia code of ethical practice.
